

### **Coffs Harbour Health Campus**

## **ICU Registrar (incl 6 mth Anaesthetic Rotation)**

### **ICU - Temporary Full-Time**

Coffs Harbour Health Campus is seeking an intensive care registrar to join our team for 2016.

Coffs Harbour's ICU is a ten-bed facility (combined ICU/HDU) with approximately 900 admissions per year – of which approximately 250 are ventilated.

The ICU is currently accredited for training by the College of Intensive Care Medicine (limited G6 + rural) and is staffed and supervised by four FCICM qualified intensivists.

The position is available from 1 February 2016 for 12 months. It will consist of 6 months intensive care medicine and 6 months anaesthesia. The Anaesthetics Department at Coffs Harbour Health Campus is accredited for one year of training by ANZCA.

Coffs Harbour is on the north coast of NSW, midway between Sydney and Brisbane with daily access by air to all Australian capital cities. The area boasts superb beaches, mountain scenery, excellent facilities and a relaxed outdoor lifestyle.
