

**Intensive Care Registrar/Senior Registrar - Monash Health, commencing August 2016 for 6 or 12 months**

The Intensive Care Unit at Monash Medical Centre seeks applications for a Registrar/Senior Registrar position to start from 1st August until 5 February 2016.

The Unit is a 26 bed Level III facility accredited for C24/unrestricted General Training (along with Neuro, Cardio and P6 accreditation) with the College of Intensive Care Medicine (CICM). It offers a highly stimulating and enjoyable work environment with an active and dynamic registrar training program – our case mix includes a wide variety of medical and surgical patients, together with Cardiothoracic, Neurosurgical and Paediatric cases. In addition, the unit provides state-wide obstetric ICU services and provides outreach and MET services to the hospital. Anaesthesia rotations for CICM training purposes may be offered to suitable applicants on completion of a minimum 12 months full time ICU.

The successful applicant will be responsible to the Medical Director of the ICU.

**Available positions at Monash Medical Centre, Clayton.**
