

**Director, Paediatric Intensive Care Unit  
F/T Perm  
Paediatric Intensive Care Unit, MMC Clayton**

Monash Health is seeking to appoint an outstanding Paediatric Intensivist to provide strong clinical leadership for Monash Paediatric Intensive Care Unit (PICU).

Monash PICU is one of the largest ICU services in Australia and will expand in the new Monash Children's Hospital, to be opened in 2017. All tertiary services are provided at MMC with the support of almost all medical and surgical paediatric sub-specialities. Level 2 services are provided at Dandenong and Casey hospitals.

The successful applicant will lead the future development of PICU services at Monash Health, have a considerable experience in paediatric intensive care medicine, proven professional leadership qualities, and a high level of organisational and communication skills.

They must hold specialist clinical qualifications in the field of paediatric intensive care and qualifications that are registerable with the Australian Health Practitioner Regulatory Agency.

The successful applicant will be offered a full-time 1.0EFT role consisting of 0.5 Clinical; 0.35 Administrative; and, 0.15 non-clinical time.
