

# Intensive Care Trainees

(Opportunity for Accredited and Unaccredited Registrar Positions)

New Positions Starting February 2021

Sydney Adventist Hospital (SAH), fondly known as 'the San', is NSW's largest acute-care private hospital with over 700 beds, including more than 500 overnight beds, employing over 2400 staff, 460 volunteers and 1000 accredited medical officers.

The San has a unique commitment to health workforce education. Through partnerships with the University of Sydney Faculty of Medicine and Avondale College of Higher Education Faculty of Nursing, the hospital is an education hub with a purpose built clinical school on site training medical, nursing and allied health students.

The hospital offers the latest services and facilities, including 24 operating theatre and endoscopy suites, 3 cardiac catheterisation laboratories, 24x7 Emergency department, intensive care and coronary care units, renal dialysis unit, rehabilitation and sleep studies units, and a leading multi-disciplinary Integrated Cancer Centre. A state-of-the-art 30-bed ICU unit was opened in August 2015.

Dedicated to being at the forefront of technology, the San has a prominent robotic surgery unit, state-of-the-art hybrid operating theatre, and the latest in surgical and diagnostic imaging.

## **Our Mission**

Caring for our patients and our community has been our motivation for 117 years and remains the first priority of Sydney Adventist Hospital today. This is reflected in our mission statement.

***“Christianity in Action – caring for the body, mind and spirit of our patients, colleagues, community and ourselves.”***

The Intensive Care Unit at the Sydney Adventist Hospital (the San) provides an exciting opportunity to work in a new unit with first-class facilities and a great team of medical, nursing and allied health staff.

This unit is accredited for C6 training with the College of Intensive Care Medicine (CICM).

Trainees work alongside Senior ICU CMOs and Specialist Intensivists with strong links to Royal North Shore Hospital, and with opportunities to experience a diverse and interesting mix of cases, including surgical (incorporating neurosurgical, cardiothoracic and other specialties) and acute medical patients admitted through the onsite Emergency Department.

Accredited Registrar applicants must be at least 3 years post-graduation with at least 6 months' ICU

experience; however unaccredited applicants will also be considered.

Salary and conditions are available on application.

Closing date: Sunday 20th September 2020

Enquiries should be addressed to:

Medical Services, SAH  
Dr Catharina De Muelenaere, Director of Medical Services
