

WINDOWS TO THE HEART

FOCUSED CARDIAC ULTRASOUND WORKSHOP / 2019

BECOME A SKILLED OPERATOR IN FOCUSED ECHOCARDIOGRAPHY.

Our two-day echo workshop is designed specifically for intensivists, emergency physicians, anaesthetics, rural GPs & cardiology trainees. The aim of the course is to provide physicians with all the necessary skills to become proficient in the performance and diagnosis of the focused echo exam. Our experienced echocardiography educators will simplify the echo exam through our proven step-by-step approach and comprehensive hands-on component.

*Give yourself a head start with an additional 5 hours of private echo training on the Friday before your workshop.
Email Kellie for more details and availability: info@cardiacskillsaustralia.com.au*
