Key Information

Are you looking to join a dynamic and supportive Paediatric Intensive Care team in one of NSW's leading tertiary hospitals?

ABOUT OUR PICU

- Opened as a standalone unit in 2017 and continues to grow in size and complexity.
- One of three tertiary paediatric hospitals in NSW.
- Primary trauma referral centre for northern NSW.
- Supports the Hunter Retrieval Service and provides advice to the Newborn and Paediatric Emergency Transport Service (NETS).
- Currently expanding services and planning for a new PICU facility opening in late 2026

ABOUT YOU

- Have a primary medical degree registered with AHPRA.
- Have clinical experience and interest in Paediatric Intensive Care Medicine
- Have Fellowship of the College of Intensive Care Medicine of Australia and New Zealand (CICM) – IMGs interested in the PGF role, who are overseas trained specialists must be assessed by CICM and, as a result, gain limited registration with AHPRA on a specialist pathway satisfactory to the college, AHPRA and the Local Health District prior to commencement.
