

TRAUMA GOVERNANCE & CRITICAL CARE FELLOW ROYAL LONDON HOSPITAL

An exciting opportunity to create an education programme driven by trauma governance in London's busiest MTC. Work alongside leaders in EM, PHEM, Trauma Anaesthesia, Critical Care & Trauma Surgery.

Airway experience is desirable but not essential. Must be willing to think creatively and be able to deliver multi media educational material. Must be GMC registered.

THE ROYAL
LONDON
HOSPITAL

- Extendable 6 month position
- Clinical work on the ICU
- Dedicated non-clinical time for education and governance
- Friendly Team, Educational Supervision, study budget and EDT
