

First Part Examination

2026 Calendar of Events

This document is intended to keep Examination Candidates and their Supervisors of Training informed of examination activities and associated timelines leading up to and post examination.

Please be mindful that **some dates are approximate and subject to change**. It is therefore recommended that this online document is “bookmarked”, rather than printed, for reference. Any significant changes will be communicated via email, reflected in this document on the College website [First Part Examination](#).
